

EASTIE FARM COPY SAMPLE

Placeholder PDF sample for Chelsea Mabbott

Project Context

This sample stands in for Chelsea Mabbott's Sep 2025 to Dec 2025 copywriting internship at Eastie Farm. She worked as part of the creative team on two semester-long client projects.

Responsibilities

Wrote and edited scripts.

Drafted social media copy.

Built creative briefs for team review.

Supported production of a long-form informational Instagram video and short-form derivatives.

What This Sample Can Include

1. Script pages for a client video
2. Caption options for Instagram
3. Message framing for an informational campaign
4. Creative brief language for a semester-long project

Why It Matters

This work shows Chelsea's ability to write for multiple formats while staying aligned with a larger creative plan. It also reflects collaboration with teammates on content that had to function as both long-form and short-form material.
