

## DIDRIKS WEBSITE COPY SAMPLE

Placeholder PDF sample for Chelsea Mabbott

### Project Context

This sample stands in for Chelsea Mabbott's work at Didriks, where she progressed from Website Designer and Blogger to Senior Website Designer and Marketing & E-Commerce Supervisor between May 2021 and Sep 2024.

### Scope

Gathered product data and images.

Uploaded products using Google Sheets and Oracle NetSuite.

Published blog content through Squarespace.

Rewrote product and category descriptions for the website using HTML formatting.

Used SEO and metadata to support traffic from search.

### What This Sample Can Show

1. Before-and-after product description edits
2. Category page copy
3. Blog excerpts
4. SEO-aware web writing and metadata

### Why It Matters

This work combines writing with execution. It shows Chelsea can not only draft copy, but also format it for the web, maintain consistency across product pages, and support the business side of digital publishing.

Replace this placeholder with approved Didriks website copy, blog excerpts, or SEO examples when available.
